

Caregiver Assistance Program-

A benefit you can share with your parents

The *Caregiver Assistance Program* has been designed to support employees and retirees who need an eldercare resource. We understand where you are coming from, Eldercare Services and Medicare may be completely foreign to you and you need somewhere to turn.

Our advisors are Social Workers by trade and are available to have a kitchen table talk about your needs; whether you are looking for assistance with a prescription costs or moving a loved one across the country. We have the resource and referral network available to our clients nationally. Give us a call today and we will get started with helping you or your loved one!

- Guidance and Counseling
- Senior Moving Services
- Eldercare Attorney Services
- VA Benefit Coordination
- Assisted Living Location
- Prescription Drug Assistance
